

All-in-One System	18" FlexArm Stand	Diffuser Attachment	ezImageX3 Software
Built-in 5" high resolution LED screen	Easily bends & stays put in any position	Reduces glare & provides even illumination	Measure, share, annotate and more

Mighty Scope ClearVue

Digital Microscope with Diffuser and 18" FlexArm Stand w/ Table Clamp

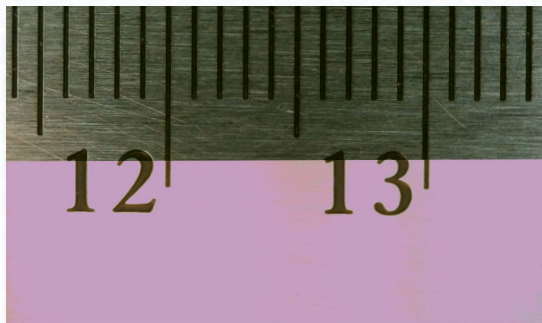

The Mighty Scope ClearVue with Diffuser and 18" FlexArm Stand w/ Table Clamp has a built in 5" high resolution LED screen offering a magnification range of 8x - 25x. The diffuser attachment reduces glare while providing even illumination on shiny and reflective parts. The FlexArm easily bends and stays put in any position. The included rechargeable battery allows users to operate the microscope without a power supply for hours thus making it suitable for field projects. You can also connect this microscope to an external monitor via an HDMI output for viewing images on a larger screen. The images can be saved on the included Micro SD card.

Key Features

- Compact all-in-one system
- The diffuser provides soft & even illumination for shiny and reflective parts
- 1080p Full HD Imaging at 60 FPS
- HDMI Output for additional monitor viewing
- ezImageX3 software included
- Enhances productivity - eliminates eye strain and body fatigue
- Easily tilt, rotate, and position the FlexArm as needed
- 5" built-in HD screen
- Save high resolution image/video files directly to microSD card
