

RECHARGEABLE SELF-LEVELING GREEN PLANAR LASER LEVEL

Three orthogonal planar lasers project 360° lines

RECHARGEABLE SELF-LEVELING GREEN PLANAR LASER LEVEL

The Klein Tools' Rechargeable Self-Leveling Green Planar Laser Level is a high-performance laser leveling and alignment tool for professionals. Clear, bright green 360° lines in the X, Y, & Z planes project from this level, and offers plumb up and plumb down spots. Equipped with an integrated magnetic mount and 1/4-20 tripod mounting threads, Klein's self-leveling laser level enables a multitude of alignment and layout applications.

KLEIN TOOLS' TRIPOD (CAT. NO. 69345) HAS A STANDARD 1/4-20 THREAD TO EASILY MOUNT LASER LEVELS

Laser lines can be operated independently or simultaneously
