KLEIN® COOLING TOWELS & COOLING BANDANA

Klein Cooling Towels and Klein Cooling Bandana help you cool down during and after hard work or strenuous activities. The PVA material has extraordinary absorbent properties that allow it to retain moisture and stay cooler than ambient air around it. Simply wet the towel or bandana and wring out the excess water to activate; stays cool for hours.

- Advanced PVA cooling technology
- Feels cooler than ambient air temperature
- Activates quickly; under a minute!
- Multi-use; reactivate several times
- Machine or hand wash with mild detergent; air dry only
- For daily use, the Cooling Towel can be stored damp in the storage tube

COOLING TOWEL COUNTER DISPLAY CONTAINS:
