

R600a, R290 & R134a GAUGES

33561

BRASS R600a, R290 & R134a 2-WAY MANIFOLD GAUGE SETS

- Large 3 1/8" gauges (PSI/F) with easy to read temperatures scales
- Includes standard hoses with standard fittings

33561	60" standard hoses with standard fittings packaged in a clamshell
33503	Brass 2-way manifold with 3 1/8" gauges only
51350	R600a, R290, R134a (PSI/F) low side (3 1/8") replacement gauge
51500	R600a, R290, R134a (PSI/F) high side (3 1/8") replacement gauge

93561

ALUMINUM R600a, R290 & R134a 2-WAY MANIFOLD GAUGE SETS

- Large 3 1/8" gauges (PSI/F) with easy to read temperatures scales
- Includes standard hoses with standard fittings

93561	60" standard hoses with standard fittings packaged in a clamshell
51303	Aluminum 2-way manifold with 3 1/8" gauges only
51350	R600a, R290, R134a (PSI/F) low side (3 1/8") replacement gauge
51500	R600a, R290, R134a (PSI/F) high side (3 1/8") replacement gauge

58561

ALUMINUM R600a, R290 & R134a 3/8" BORE 2-WAY MANIFOLD GAUGE SETS

- Large 3 1/8" gauges (PSI/F) with easy to read temperatures scales
- Includes standard hoses with standard fittings

58561	60" standard hoses with standard fittings packaged in a plastic box
55303	Aluminum 3/8" bore 2-way manifold with 3 1/8" gauges only
51350	R600a, R290, R134a (PSI/F) low side (3 1/8") replacement gauge
51500	R600a, R290, R134a (PSI/F) high side (3 1/8") replacement gauge

92103-53-1/4

ALUMINUM R600a, R290 & R134a SINGLE BALL VALVE MANIFOLD

- Large 3 1/8" gauges (PSI/F) with easy to read temperatures scales

92103-53-1/4	1/4" single ball valve manifold with 3 1/8" gauges packaged in a clamshell
51350	R600a, R290, R134a (PSI/F) low side (3 1/8") replacement gauge

* All gauges above are available with shock resistant gauge protectors – to order, add -G after the Part#
