

UA100A World Travel Adaptor

With USB-A and USB-C

Features:

- Worldwide Compatibility includes USA, Japan, Australia, China, UK and Euro plugs
- Smart USB determines how much power (voltage/current) a device can safely use
- Rapid Charge, 5V/2.1A Total USB Output, 10A Max AC output
- For use with most electronic devices up to 2500W at 250V and 1000W at 100V
- Safety function switch ensures only one plug is energized
- Does not convert voltage—make sure the power outlet you intend to use has the proper voltage to run your device before use
- Please check each country for travel adaptor regulations before usage
- No grounding—for use with unearthed or double insulated appliances only
- Fuse protected (250V, 6A) baby-proof outlet
