

COMPONENTS FOR CONNECTING

Connector Cleaner

AF-009

SC, ST, FC, E2000 connectors

Over 500 cleanings

The connector cleaner provided by **PROMAX** is ergonomic and very easy to use thanks to its design as a pen / pencil. You can do more than 525 cleanings. It is optimal to use in FTTx applications. It cleans connectors from dust and impurities that can affect the light transmission. Designed for male and female connectors of 2.5 mm including SC, ST, FC and E2000.

*The connector cleaner is available as a separate accessory, being part of the **PL-10 Connecting Kit** or part of the **OP-040 Fusion Extension Kit**, which in a suitcase includes all the most important tools and accessories to make inexpensive fiber connections.*
