

High Capacity Pest Management Vacuum

Immediate Containment 5 Gallon HEPA Filter Cartridge

The HC (High Capacity) IPM vacuum is ideal for larger jobs, such as bat guano & infestations. It comes complete with all accessories pictured (Back pack optional).

Filtration - A self contained 5 Gallon **HEPA** filter cartridge reduces the risk of virus and bacteria dispersion. Most odors are contained. The cartridge filter makes filter changes easy, clean, and safe.

Powerful - Will capture cockroaches, bed bugs, termites, rodent droppings along with fine particles.

16" flexible wand is pliable and will fit into hard to reach places.

18 month limited warranty.
