Mighty Cam Eidos

5MP Camera with Integrated 11.6" HD Monitor

Digital Inspection Made Easy

Aven's Mighty Cam Eidos can be attached to a trinocular microscope or video lens with a C or CS mount. The camera features a 5MP Sony sensor that provides stunning high-quality images for you to view on the built in 11.6" HD monitor. This eliminates eye strain and body fatigue associated with frequent optical microscope use!

Key Features

- All-in-one, compact system
- 1080p Full HD imaging at 60 FPS
- 11.6" Built-in monitor
- HDMI output for additional monitor viewing
- Built-in measurement - No PC required
- Save high resolution image/video files
- Monitor can be tilted to the optimal viewing angle

**Compatible
with C-Mount
Microscopes**
