

HVACR Inspection Tool Bag

- Easy Access Pop Top
- Compact Rugged Design
- Magnetic Tray
- Weather Protected Sturdy Base

**Model
BG36**

**Test Equipment
Depot**
1-800-517-8431

The BG36 Inspection Tool Bag is an easy to carry, over the shoulder bag with an easy to open pop top. The pop top protects your tools from inclement weather, and from spilling out if dropped or knocked over. Plus it provides extra space for small tools and drill bits. While the strong magnetic tray holds cabinet screws and washers so they're never lost.

Sectioned interior pockets keep everything organized. Zippered side pocket and large interior adjustable section protect meters from hand tools. Large open front pocket and expandable side pocket allow for additional storage. Sturdy weather protected base keeps bag standing upright.

The BG36 is extremely durable with reinforced construction, ballistic grade nylon, and ripstop nylon. Plus it's comfortable to wear with a padded, breathable back panel and adjustable strap.
