Wohler Brush kits

The Wohler Brushes are designed in various sizes and materials to meet your cleaning needs. We develop and manufacture our cleaning systems and brushes for chimney stacks, boilers and ventilation systems to meet the needs of professionals.

From our thickest 4.3" XL viper to our most flexible 1.7" mini viper and the Wohler H 420 handy viper with its digital distance measurement, there is a wide selection of threaded or star brushes that you can use for the respective cleaning.
