

The Dune series offers all the necessary features for quick and easy weighing, including simple operation and portability. Every model is equipped with an AC adapter, automatic calibration through the keypad, low-battery indicator and overload indicator. With its battery operation, splash-proof keypad, and streamlined design, the Dune delivers accurate readings in the classroom, lab or in the field.

Streamlined design for basic weighing in the lab, classroom or field

## Features

- High-contrast display is easily visible from a distance
- Color-coded keys facilitate quick recognition of the most frequently used buttons
- Lightweight design simplifies transport and portability
- Overload protection helps prevent damage to internal components
- Sealed keypad protects against dirt and spills
- Large platform removes easily for speedy cleaning
- Auto power-off to save energy
- Zero-tracking feature ensures display returns to zero reading
- Operates with AC adapter (included) or batteries (not included)

## Applications

- Weighing
