

TECHNICAL DATA

Fluke Solmetric PVA Transit Case

This rugged Pelican brand transit case has custom foam cutouts for the Solmetric I-V Unit, SolSensor, and accessories and a pocket for a laptop/tablet (up to 14.75" x 10.75"). It's crushproof, waterproof, and dustproof, rated to IP-67, and tested to MIL-C-4150J military standard. It has strong polyurethane wheels with stainless steel bearings, and a retractable extension handle. It's great for keeping your PVA kit all in one place and safely transporting it to the site and fits the PVA T and HE models.

Key Features:

- Watertight, crushproof, and dustproof with retractable extension handle
- Strong polyurethane wheels with stainless steel bearings
- Cutouts for I-V unit, Solsensor, and accessories
- Pocket for laptop/tablet (up to 14" x 10")
- Automatic Pressure Equalization Valve – balances interior pressure, keeps water out
- Easy open double throw latches with fold down handle
- Stainless steel hardware and padlock protectors
- O-ring seal
