

LEFT-HANDED IRONWORKER'S PLIERS

Designed to provide a more natural fit for lefties

**KLEIN
TOOLS**

LEFT-HANDED IRONWORKER'S PLIERS

Designed specifically for left-handed Ironworkers to cut and twist rebar tie wire, these pliers feature a hook bend in the left handle for added grip and leverage with a more natural fit for lefties.

Hook bend in left handle provides added grip and leverage
for a more natural fit for lefties

Twists and cuts
soft annealed rebar
tie wire

Plastic-dipped handles
for comfort and ease of identification

"Handform" handles
for full gripping and cutting power

Unique handle tempering
helps absorb the "snap"
when cutting wire

Spring-loaded action
for self-opening

Hot-riveted joint
ensures smooth action
and no handle wobble

Precision-hardened plier head
for on-the-job toughness

**Induction hardened
cutting knives**
for long life

Heavy-duty knurled jaws
