

Meets ANSI/ESD S20.20 and Grounding standard ANSI/ESD S6.1.

Description

With a low-profile top, this common point ground cord connects two wrist straps and a work surface to ground, helping ensure that all parts are at the same ground potential. Easy to install. Simply snap it to a mat or work surface. Plug in the wrist strap coil cord, and connect the ring terminal to ground. Provides holes for permanent mounting to a bench.

Specifications

Length	15ft
