

RIDGID®

micro CA-25 Inspection Camera

The RIDGID® micro CA-25 is a handheld inspection camera designed for visual detection, diagnosis, and confirmation in hard to reach areas.

- A crisp 2.7" color LCD display with 180° rotation allows fast diagnosis in tight hidden spaces
- Illuminate dark areas with 4 bright LEDs on the camera head
- Comfortable one-hand pistol grip for steady control while maneuvering camera
- 4' cable reach to view inconvenient areas
