

High Output Gooseneck LED Spot-Lite

American-made, high-output gooseneck LED spotlight for a range of task illumination.

Part Number	Mounting Base			Length (in)
	Magnetic	Screw Down	Table Edge Clamp	
LED-MG12-30-120V	✓			12"
LED-MG18-30-120V	✓			18"
LED-MG22-30-120V	✓			22"
LED-MG33-30-120V	✓			33"
LED-SD12-30-120V		✓		12"
LED-SD18-30-120V		✓		18"
LED-SD22-30-120V		✓		22"
LED-SD33-30-120V		✓		33"
LED-CD12-30-120V			✓	12"
LED-CD18-30-120V			✓	18"
LED-CD22-30-120V			✓	22"
LED-CD33-30-120V			✓	33"

Feature	Specification
Light Source	12 LEDs
Beam Angle	Precise focus 30°
Input Voltage	100-240v (50/60hz) transformer with worldwide approvals
Power Consumption	18w
Cord End	3 Prong Power cord included (Removable)
Construction	Heavy-duty die-cast aluminum body
Bezel	Slim die-cast aluminum bezel
Lengths	12", 18", 22", 33"
Mounting Features	Specification
Magnetic (MG)	3" neodymium high shear-strength magnet so you can choose to magnet mount or permanent screw
Screw Down (SD)	Countersunk screw holes placed in feet for permanent mounting
Table Edge Clamp (CD)	Table edge clamp will mount to surfaces between 1" – 2.5" thick
