Exclusive IoT-Enabled

Super-Scope® AF+

HD INTEGRATED INSPECTION

Competes with Inspection Stations over $10k– at a Fraction of the Price!

Super-Scope® AF+ stands heads and shoulders above its competition. This unique inspection system boasts features found on much more expensive equipment. Its freestanding design allows for use anywhere on the manufacturing floor… no need for a PC!

Unmatched Working Distance

6" to Infinity!

The heart of the **Super-Scope® AF+** is our Auto Focus Hybrid HDMI/USB camera with 12.1" Integrated LED screen. Featuring full 1080 resolution (300dpi) for super detailed 'heads up' viewing, this camera features onboard tools including Image & Video Capture, Calibrated Measurement, Split Screen Live View, and more! An 8GB SD Card is included standard for easy transfer.

Ergonomic design and operator comfort go hand in hand. Unlike microscopes with restrictive eyepieces, **Super-Scope® AF+** features 'heads up' viewing for greatly reduced eyestrain, neck fatigue, and improved posture.

TKSS-AF-LV2
(Shown with optional LV2000-B)

FEATURES:

- **Intelligent Auto Focus**
- **Infinite Focal Length** – Inspect from 6" Working Distance to Infinity
- **Auto Focus Hybrid HDMI/USB Camera** – Exclusive Design Works without a PC
- **1–80x Standard Magnification**
- **Built-in Inspection Software** – No PC Needed! (*See full features list on the following page*)
- **Often No Light Needed** – Industry-Leading Low Light Sensitivity
- **Split Screen Display Function** - Displays Captured vs. Live Image

AF⁺ INTELLIGENT AUTO FOCUS, IMAGING & MEASUREMENT SUITE

Experience the increased speed, cost savings, and joy-of-use that Intelligent Auto Focus offers! Our robust Auto Focus, Imaging & Measurement Software Suite boosts 4 sets of control panels - (Measurement & Export, Camera, Auto Focus, and Image). These tools contain the ideal set of production enhancement features for medical device, micro electronics and aerospace defense industries in QC, QA, FA and Research and Develop departments. *Experience the O.C. White advantage for yourself!*

Image Capture
Quickly capture image and videos while inspecting directly to the 8GB SD card. Sort and archive to a PC.

Real Time Compare
Compare live video feed with previous captured images. Search and sort for instant comparison.

Calibrated Measure
An entire array of Measurement Tools for high precision and repeatable measurements without a PC!

Ultra-High Sensitivity
Industry leading low light sensitivity allows for crystal clear images where competitors cameras fail. The result means less glare!

Auto Focus
Choose either Intelligent Auto Focus or Manual Focus with the push of a button.

Wi-Fi Enabled
Optional secure Wi-Fi enabled video stream service to your smart phone or tablet.
