

L-1 LED

Versatility, quality and energy efficiency in an all-time classic design.

Distinctively designed office lighting.

L-1 LED LED Lighting

Designed in 1937 by Luxo's founder, Jac Jacobsen, L-1 is the world's first original architect lamp. Since its creation, 25 million L-1 luminaires have been sold worldwide and L-1 has been distinguished by many prestigious international design awards. With its unique design and flexible, spring-balanced arm, L-1 has earned a place among the world's all-time classics.

The L-1 LED features an LED light source. With its timeless design and automatic shut-off and dimming features, L-1 LED is fully adaptable wherever energy-efficiency, versatility and quality are sought.

Incredible Long-Life LEDs

L-1 LED is equipped with state-of-the art LEDs which provide bright, warm light and have a life expectancy of 50,000+ hours. That means 25 years or more with normal office use.

Color: black, silver grey, or white

Light Source	8W LED (8.4W total energy consumed) 350 lumens Color Rendering Index (CRI): 90 Color temperature: 3000K Dimmable / 9/4 auto shut-off 120v plug in power supply
Body Material	Steel arm and aluminum shade Color: black, silver grey, or white Custom colors available
Mounting	Edge clamp; optional table/desk base
Optics	Symmetrical light distribution Inner shade painted white for maximum efficiency Opallic diffuser for a softer light and to
Arm	39.4" parallel, spring-balanced, three-pivot arm
Technology	Up-and-down and rotational head movement
Part #	Description
L-1025906	L-1 LED with edge clamp, black
L-1025907	L-1 LED with edge clamp, silver grey
L-1025906	L-1 LED with edge clamp, white
BRK024995	Table/desk base for L-1 LED, black
BRK024996	Table/desk base for L-1 LED, silver grey
BRK024994	Table/desk base for L-1 LED, white

Symmetrical Light Distribution
