

Express Vacuums

SAFE & POWERFUL

PORTABLE. Weighing just 4 pounds, the Arix Express Plus is one of the lightest portable vacuums available.

CONVENIENT. The Express Vacuum is easy to operate. The replacement cartridge filters install with a snap and without mess. And, an inexpensive two-stage bag/shell filter option is available.

POWERFUL. Arix has built in a new, powerful motor making the Express Plus as powerful as most of the larger service vacuums.

SAFE. The Express Vacuum comes with an ESD safe hose, ESD safe round dust brush, ESD safe gooseneck, ESD safe crevice tool and power cord. The complete system is grounded from the tip of the hose through the end of the power cord.
